Subject: Re: Brick & Tracy... Bingo... Looks like we pulled off one of our most MAJOR upsets to date... :-)

You guys are awesome!! We don't know how to thank you for your brilliant negotiating tactics! We are so thankful and believe that God has given you such an amazing opportunity to financially bless those serving in the military. **We never dreamed this could be possible, but with God, all things are possible!! You are truly his hands and feet!** Thank you again, from the bottom of our hearts!!
