Dear Lori & G-II,

Thanks so much for working hard to sell the house in Wittmann Arizona. I am currently serving a 365 day tour in Iraq as a Logistics Management Advisor on a 10 person team. We advise the Iraqi Army on the ins and outs of logistics and management.

I believe this time here is part of the plan our president has to get the Iraqi military in a position to fight and win if necessary.

Ok. **The reason I am writing this note is to say thank you. Thank you for taking the time to be a truly great American and help other great American's.**

I am reading many of the emails that you have sent, and am checking into the links on your website too.

At this time I do not have any questions. I have attached a picture of myself and the Iraqi Army LTC that I advise.

God Bless You All.

Sincerely,

TSgt Jennifer K, USAF  
AMMO
